Dear []

Our class has started to learn how people make decisions about resources they use in business. This is part of the Social sciences curriculum where we learn about economic activity. Over the next few weeks we shall be studying how this happens in the real world, and put it into practice through our Enterprise 4 Kids programme.

Our class would like to give our caregivers the special title of Market Day Support Person. In return we are asking for your help with the following:

Please help us gather our resources by providing some common household items on our Scrounge List. These resources will be used for the products we will offer for sale on Market Day.

Later we shall be sending you an invitation to two special days.

- One is our Market Day. Not only will you be able to see our products and services, but you will have the opportunity to purchase our wares. Our bank will be able to help you exchange your dollars for our classroom money. We will advise you of the exchange rate in our next letter.
- The second invitation will be for you to see us review and present our learning from this programme. We will also present our financial accounts at this time.

We are keen to hear about any person or local business who can also help us with gathering our resources. If you know of a local business who has suitable off-cuts of anything from our scrounge list, or other items, please let us know the name of the contact person.

Our scrounge list:

Milk cartons Paper clips Yarn Foil Scrap wood Dowels Cardboard Bubble wrap	Empty thread spools Glue Beads, old jewellery Broken toys Paper plates Feathers Tape	Tin cans Nails Tacks Wire String Spring-type clothes pegs Pegs	Balloons Magnets Material scraps Springs Toothpicks Modelling clay Rubber bands
