

BUDGETING QUIZ

Booking your Flights

You and your best friend are planning a trip to Melbourne. You have been spending wisely and saving as much money as possible. You have allocated a budget of \$600 each for flights.

AIR NZ – AKL → MELB	Jetstar – AKL → MELB	Virgin Airways AKL → MELB
Seat = \$160	Seat = \$169	Seat = \$228
Seat + Bag = \$180	Seat + Bag + Meal = \$297	Seat + Bag = \$259
Seat + Bag + Meal = \$200		Seat + Bag + Meal = \$304

AIR NZ – MELB → AKL	Jetstar – MELB → AKL	Virgin MELB → AKL
Seat = \$229	Seat = \$249	Seat = \$257
Seat + Bag = \$249	Seat + Bag + Meal = \$310	Seat + Bag = \$277
Seat + Bag + Meal = \$269		Seat + Bag + Meal = \$397

1. What would be the combined price of two return (there and back) Seat+Bag+Meal tickets to Melbourne flying Virgin Airways?
a) \$1072 b) \$1402 c) \$1312
2. How much money will you have left if you choose to book two return seats on the cheapest flights with Air NZ?
a) \$364 b) \$342 c) \$422
3. You decide that for the trip you need to take a bag with you, and would like to eat a meal on each flight. Which airline would be within your budget to do this?
a) Air NZ b) Jetstar c) Virgin
4. If Jetstar had a 15% off sale how much would this make a single 'Seat' return ticket?
a) \$418.00 b) \$355.30 c) \$403.00
