

BUDGETING QUIZ

Booking Accommodation

You have a budget of \$325.00 for you and your friend to stay for two nights in Melbourne. The booking fee is applied to the total cost.

Place	Accommodation fee per night twin room	Wifi in the room	Cost of Breakfast each	Booking Fee
Hotel 1	\$160	Included	Included	2%
Hotel 2	\$120	\$15/day	\$18 pp	2.5%
Hotel 3	\$145	\$10/day	\$15pp	3%

- Taking the wifi option and breakfast for both of you, which hotel can you stay in within your budget?
a) 1 b) 2 c) 3
- By what percentage is the hotel 1 accommodation fee more than hotel 2 accommodation fee?
a) 33.33% b) 40% c) 20%
- What will your budget deficit be if you stay at hotel 3, with wifi and breakfast?
a) \$35.4 b) \$45.6 c) \$25.2

(Budget deficit: *if you actually spend more than you have available to spend, you have a budget deficit*).
