YOUNG ENTERPRISE CERTIFICATE™

Level 3; 24 credit equivalents

The Young Enterprise Certificate is a qualification accredited by NZQA. Because it has fewer than 40 credit equivalents the Young Enterprise Certificate is not registered on the New Zealand Register of Qualifications. No grades are awarded with the qualification.

To gain the Young Enterprise Scheme Certificate, the Young Enterprise student must:

1. Complete the Young Enterprise Scheme “**Course Requirements**” **10 credit equivalents**
2. Pass the “**Young Enterprise Examination**” **14 credit equivalents.**

Young Enterprise Certificate and New Zealand Qualifications Authority (NZQA)

The Young Enterprise Certificate has been granted credit inclusion for the National Certificate of Educational Achievement (NCEA) at Level 3 (24 Credits) until 31 March 2018.

Credit Equivalents are credits deemed to be equivalent to NCEA credits.

These qualifications do not appear on the Record of Learning provided by NZQA.

Students are advised by NZQA to use the qualification (and consequent credit equivalents) only if they need these credits to make up to the total credits needed for their NCEA certificate at any one year level. Although the credits are assessed as equivalent to Level 3, they may be applied at any year level of NCEA.

This credit inclusion is limited to NCEA, may only be used once, and may not be used for any other NZQF qualifications.

Young Enterprise Certificate and University Entrance

***Please note - the common university entrance standard has changed . While the YE Certificate components may be used to apply for credit inclusion for the NCEA the content is not an “approved subject “ for the common university entrance standard. The Information below is from the NZQA website . See your Principals nominee for clarification.**
