

BP Business Challenge

Introduction

The BP Business Challenge is a unique, 3-day experiential learning programme to develop skills, connect students to their community and build their understanding of how successful businesses operate.

Student Learning

Through the BP Business Challenge, students will:

- › Learn about starting and running a business
- › Understand the business planning process
- › Create and articulate their own business plan.

Curriculum Links

The BP Business Challenge is ideal for Year 11 students. This programme is cross-curricular and encompasses learning from the English, Mathematics and Statistics and Social Sciences curricula. It's an ideal precursor to Level 1 Business Studies Achievement Standards.
