

# Cool Rooms webquest

'Cool Rooms' sees students work individually or in groups to design and furnish a room before calculating the costs of paint and carpet. This activity may present opportunities for cross curricular study and has is a practical way to weave financial capability through a maths lesson.

## Student learning

Through this webquest, students will

- understand how to apply area calculations in a practical way.

## Curriculum links

This webquest links Mathematics and Statistics with Personal Financial Capability. It can help students develop their financial knowledge and skills in an authentic context.

-  Year 10-11
  -  2-3 hours
