

Enterprising Storybook 8: Little Yellow Digger

The family next door want to build a drain so that when the rain comes down the garden and driveway, it doesn't get muddy. The little yellow digger comes to build the drain, but the rain comes down and it gets stuck! Another digger comes down to rescue the little digger, but slips into the half dug drain and also gets stuck! The rain still comes down.

Student learning

- The story is about the consequences of choice.
- In hindsight bad decisions lead to bad consequences.
- A point is reached where more consideration needs to be given to the problems at hand, and better decisions made so the problem is solved and not made worse.
