

Goal 300

Young Enterprise has created a series of board games to help students become more financially capable. In Goal 300, students aim to save \$300 towards the cost of a family holiday. They can choose low, medium or high-risk pathways to achieve their savings goal.

Student learning

Through Success Saver, students will:

- Identify the difference between low-risk and high-risk financial situations
- Develop their strategy to successfully reach their savings goals.
