

GrowingNZ Innovation Challenge

This five lesson programme challenges year 9-11 students to research a real problem within the context of the primary industries. This cross curricular teacher led resource has strong links to Level 4 and 5 of the science, technology, social sciences and English learning areas. Each term, teams can submit digital entries into a nationwide inter-school competition and be in to win up to \$250.

Congratulations to the 2017 winners:
 Term 2 - Marlborough Girls' College
 Term 3 - Westlake Boys' High School
 Term 4 - Huanui College

The Student Guidebook and Teaching Resource have now been updated for 2018. Eleven exciting new challenges have been added to the Teaching Resource.

Student learning

Through The GrowingNZ Innovation Challenge, students will:

- Investigate a problem
- Develop and evaluate potential solutions
- Build a prototype solution
- Gather feedback from stakeholders
- Persuasively present a solution

Curriculum links

The GrowingNZ Innovation Challenge has strong links to Level 4 and 5 of the science, technology, social sciences and English learning areas.

Competition (Optional)

Any teams using the standalone resource can submit one entry into a national competition. There are four intakes a year and winning entries are chosen and announced at the end of each term. Each winning entry receives \$250.

-  Year 9-11
-  1-2 wks
-  Social Sciences
Technology
Science
English
-  Free to NZ schools
-  Led by teachers
Training Available

This fast-paced, one-day competition is for teams of year 10 students with an interest in technology, science or business.

The challenge requires students to apply their subject knowledge and build a prototype solution to a real-life situation being faced by one of New Zealand's largest export industries.
