

Success Saver

Young Enterprise has created a series of board games to help students become more financially capable. Success Saver is a board game that teaches students about balancing savings with volunteer work. Students aim to work their way around the board, saving \$20 while completing 4 hours of volunteering.

Student learning

Through Success Saver, students will:

- Learn how to keep and update a personal cash book
- Learn the difference between paid work, volunteer work and leisure time
- Understand the importance of volunteering.

Curriculum links

Personal Financial Management is a fundamental part of a young person's education. Success Saver is designed to support the 5 key competencies. The game also has strong links to the Social Sciences and Mathematics and Statistics learning areas.
