

YES 2018 - The Lion Foundation Young Enterprise Scheme

The Lion Foundation Young Enterprise Scheme (YES) is an experiential programme where students set up and run a real business. Each YES company creates their own product or service and brings this to market. We have created a series of resources to help guide you through the YES 2018 programme, which you can download from this page or your dashboard.

Year 12-13

4 terms

Level 2 Business Studies
Level 3 Business Studies

\$ 35 per student

Led by teachers
[Training Available](#)

The YES programme has been refreshed! Teachers, students and key members of the start-up and business community participated in the review. The updated programme takes students through a series of entrepreneurial experiences to help develop 21st century skills in real-world situations by working to their strengths.

Read all about the changes in the [Teachers Handbook here](#).

Student learning

Through The Lion Foundation Young Enterprise Scheme, students will:

- › Learn about business planning and operations
- › Develop a range of personal and business skills
- › Consult with and create networks in their community

Curriculum links

You can deliver YES as a timetabled course, or as an extracurricular option. YES is commonly used as a vehicle to deliver Business Studies Achievement Standards at Levels 2 and 3. Other qualification options include the YE certificate.

Competition

There is a \$25,000 national prize pool as well as regional awards and cash prizes and tertiary scholarships. YES students have opportunities to attend national business competitions and events and maintain business networks through the YES alumni and business incubator programmes. All YES companies are eligible for competitions regardless of whether YES is being offered as a timetabled or extracurricular option.

The Young Enterprise Scheme has had a huge impact on the students at Aparima College. This is our third year of running the scheme, and we have junior students eager to participate in future years. I would recommend the Young Enterprise Scheme to schools of all sizes and deciles.

Lynne Grove, Teacher, Aparima College
